The Settlement at Powhatan Creek Phase 3

DRC Action:

This case was before the DRC because it proposed buildings in excess of 30,000 square feet and more than 50 lots. Following a motion by Mr. Mike Maddocks, the DRC voted 4-0 to recommend preliminary approval of the plan subject to agency comments (with the exception of lots 221 & 222 as they will be removed to provide a safer turn around area). The Committee recommended the County's engineers review future revisions of the turn-around to avoid the need for returning to the DRC.
